

SUB12.17 EDGE

- Included in the subwoofer mega test in june release of the Swedish Cinema magazine "HemmaBio" 2019 - Claiming the title **"Best in test"**

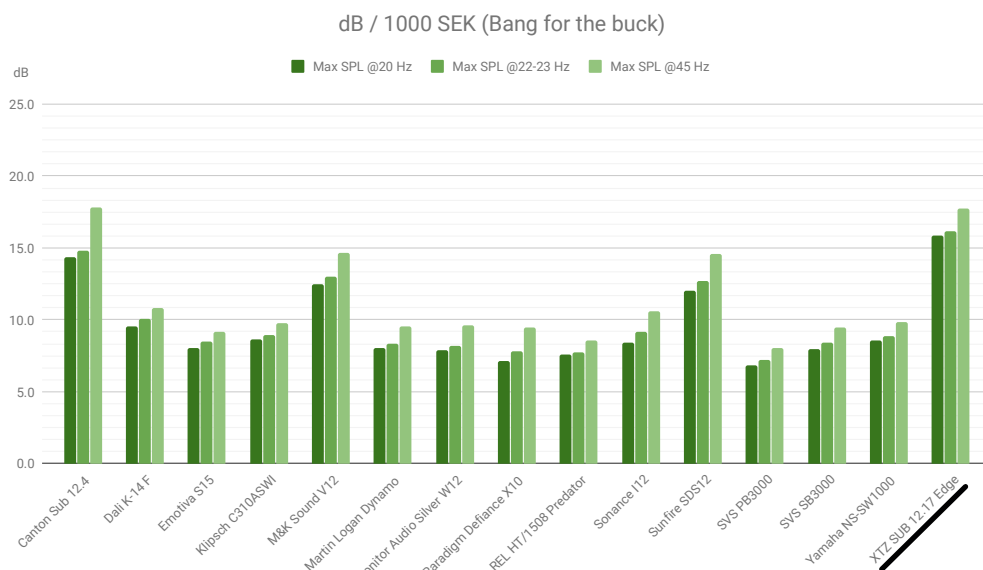

The test is focused on 12-inch subwoofers, and a few 13-inch subwoofers. Prices range from SEK 7990 - SEK 17990! A very honored title with such tough competition!

"We have tested 12.17 Edge before, and it is interesting to see how they can deliver such a good bass time and time again, and always at such an attractive price as well."

- Magnus Fredholm, HemmaBio

SPL - Bang for the buck (Max SPL in dB / 1000 SEK)*

*XTZ Group made comparison, independently based upon facts from the test results.
